

SIGGRAPH2013

July 23-25, 2013

Anaheim, CA, USA

A small booth, but a great step for US market.

Newsight Japan showed 5 items at SIGGRAPH2013.

- 1) iPhone5 3D sheet
- 2) 24" 8-view Glasses-free 3D display
with automatic content conversion
- 3) 24" 8-view Glasses-free 3D display for 3D Digital Signage
- 4) 42" 8-view Glasses-free 3D display for 3D Digital Signage
- 5) 23.6" Natural Dimension (NaturalD) display

I thank to 3D Consortium to offer a booth space as well as my collaborators in USA helping me to set up a booth and support me during the period.

I strongly convinced a great one step in US 3D business market.
